

GREETINGS FROM GRANTHAM & ASSOCIATES, INC.

The staff of Grantham & Associates, Inc. is grateful to the clients and associates who have helped make our continued operations enjoyable and successful. Our newsletter is designed to share some of the firm's news with you.

COMPANY UPDATE

- ❁ As a follow-up to last year's newsletter regarding Bert Grantham's battle with osteosarcoma, God has graciously removed all traces of bone cancer from her leg. Thank you for your many prayers and other acts of kindness.

❁❁❁❁❁❁❁❁

- ❁ Molly Pierson passed her Professional Engineers exam with flying colors. She joins two other P.E.'s and an R.P.L.S. on our staff.

❁❁❁❁❁❁❁❁

- ❁ The City of Rowlett selected G&A as one of the consultants that will be used to work on Capital Improvement Plan projects during the next three year period.

❁❁❁❁❁❁❁❁

- ❁ Barry Williams recently joined G&A to oversee the firm's business operations. Formerly, Barry was the Director of Information Technology at Josh McDowell Ministries.

❁❁❁❁❁❁❁❁

- ❁ G&A recently upgraded many of the firm's computers prior to installing Windows XP and a Customer Relationship Management System called ACT!. In addition to organizing client and vendor contact information, this system also links the calendars and e-mails of G&A's staff.

PROJECT HIGHLIGHTS

The following selected projects illustrate the diversity of G&A's engineering and surveying assignments in 2004.

Duck Creek Connector . . . a 2,600-foot long new thoroughfare for the City of Garland that connects Duck Creek Drive with the I.H. 30 service road and provides direct access from the service road to DART's Lake Ray Hubbard bus transit center.

Spring Creek Basin I/I Study . . . a comprehensive Infiltration and Inflow study for the City of DeSoto which evaluated sanitary sewer line capacities and prioritized rehabilitation projects for 2005.

PROJECT HIGHLIGHTS, CONT'D

Water Line Extension . . . a water system improvement project that consisted of approximately 5,200 linear feet of 8-inch water line along Duck Creek Way from an existing Sunnyvale water line near East Fork Road to Garland's Duck Creek Wastewater Treatment Plant.

Stonebrook Parkway . . . a topographic surveying project with HNTB that included right-of-way and easement documents for the extension of Stonebrook Parkway, from Fourth Army Memorial Drive to Legacy Drive, in the City of Frisco.

Lakeshore Village . . . civil site improvements associated with 155 Mediterranean-style townhouse units next to Joe Poole Lake in Grand Prairie. The developer is Lakeshore Village, L.P.
